ON PICTURE DAY

Have your team and coaches assemble 10 to 15-minutes in advance of your scheduled time to avoid last minute hang-ups and delay the teams following you. Once a team is organized, we usually take them immediately. Please keep to the schedule as there are more than 1400 individuals to process. If there is an unavoidable conflict, please contact Sally Oppenheim via email (soppenheim@wheatonparks.org).

Photos will be mailed directly to your home.

- Please make sure you give VIP your correct mailing address on your order form.
- Manager plaques will be mailed directly to individual manager's addresses the park district has on file.

All players must be in full uniform.
