Dear Potential Sponsor:

Attached you will find an outstanding opportunity to promote your business or organization. The Wheaton Park District Youth Baseball/Softball Program includes approximately 120 teams and over 1,600 players of all ages. Sponsors like you are a critical component of the budget and are vital to the continued success of the program.

Like all Wheaton Park District Programs, Baseball/Softball is self-supporting. No tax dollars are used for the purchase of equipment, uniforms, or umpire pay. The Wheaton Park District provides the facilities and administrative functions. Only about 50% of the program's annual budget comes from the registration fees. The generosity of our Sponsors helps tremendously to fill out some of the rest of the budget needs.

We hope you will consider supporting the Wheaton Park District Baseball/Softball Program for the 2021 Season. This is a great opportunity to create awareness for your business or organization and target special offers to the parents and children of the program; as well as build goodwill in the community.

Please see the Advertising and Sponsorship Opportunities forms attached for details. If you have any questions feel free to contact me at 630-510-5141 or alewandowski@wheatonparks.org.

Thank you in advance for your support.

Sincerely,
